

## Quality Assurance Plant List

<b>Instrument</b>	<b>x - travel</b>	<b>y – travel</b>	<b>z – travel</b>
3 Axis Ferranti Mercury Co ordinate measuring machine	500 mm	350 mm	200 mm
Galileo CNC / Vision system with QC5000 3-D Metrology software	300 mm	150 mm	140 mm
VB 400 Vertical Bench top Measuring Projector	250 mm	150 mm	
Modular melt flow tester with motorized lifting / cutting device and digital encoder increasing the repeatability and accuracy of melt flow tests			
2 off Brabender Aquatrac moisture meters for measuring moisture content of raw material			
2 off Minolta chromameters for measuring the colour of plastic parts
